

MCC eCommunity offers web-based tools designed to meet the revenue, registration, and online payment needs of a School's Community / Continued Education Department.

Not only does eCommunity offer the ability to collect Credit Card and ACH payments online, its feature-rich collection application and registration module will increase efficiencies within your department and streamline reconciliation.

**Contact us today!**

To discover how MCC eCommunity services can benefit your School, simply email us back at [sales@mcc.net](mailto:sales@mcc.net) or call us at 508-460-6000 to speak with an MCC Representative.

**eCommunity Revenue Application**

eCommunity allows the School to collect, manage and report all registrations and payments.

With eCommunity, the School is able to make any form available online for residents and/or students (participants) to complete electronically.

**Highlights:**

- Create / manage all registrations offered
- Record all walk-in registrations / payments
- Decrease check/cash handling
- Increase participation
- Accept credit card payments in the office

**eCommunity Online Center**

Participants can log into their *eCommunity Online Center* account and register for any activity such as sports, classes, workshops, etc.

Participants can also pay the registration fee online by ACH or Credit Card.

**Highlights:**

- View online catalog of all offered programs
- Wait lists
- Email notifications
- Payment options
- Online Payment History

Basketball Registration Form 2010-2011

This program focuses on the basic skills needed to play basketball. Skills such as dribbling, passing and shooting will be introduced in a fun, non-competitive environment. Once again, we will offer two sessions of this popular program.

Clinic (Grades 2,3,4) An instructional level of play for boys and girls age 2,3 and 4.

- We use smaller baskets and mini-basketballs at this level.
- We will use drills and mini-games to introduce skills.
- We will play short games at the end of every class.

Junior (Grades 5,6) This is a basic level of play and instruction for boys and girls age 5.

- We will use drills and mini-games to reinforce skills.
- We will play short games at the end of every class.

Senior (Grades 7,8) This level is for players who wish to focus more on competitive game play.

- Very little instruction will be provided.
- Children at this level should know how to dribble, pass and shoot with little instruction.

Participant to Register:

Participant's First Name:  \* Participant's Last Name:  \*

Address:  \* Zip Code:  \*

Phone Number:  \* Grade 2010-2011:  \*
