Basketball Registration Form 2010-2011

This program focuses on the basic skills needed to play basketball. Skills such as dribbling, passing and shooting will be introduced in a fun, non-competitive environment. Once again, we will offer two sessions of this popular program.

Clinic (Grades 2,3,4) An instructional level of play for boys and girls age 2,3 and 4.

- We use smaller baskets and mini-basketballs at this level.
- We will use drills and mini-games to introduce skills.
- We will play short games at the end of every class.

Junior (Grades 5,6) This is a basic level of play and instruction for boys and girls age 5.

- We will use drills and mini-games to reinforce skills.
- We will play short games at the end of every class.

Senior (Grades 7,8) This level is for players who wish to focus more on competitive game play.

- Very little instruction will be provided.
- Children at this level should know how to dribble, pass and shoot with little instruction.
